Success stories

Here are some samples of the success stories I received about this e-book:

"Dear Francisco, I must tell you that when I downloaded your book, I absolutely knew it was something that I was going to need.

Call it divine intervention, call it karma... Whatever! But if I hadn't read your insights before this last week, I'd be making a real ass of myself right now"

Barbara - US

"Just purchased your e-book concerning obsessive jealousy. It appears to be just what I needed.

I am 54 and in a new relationship that looks like it might end up in a permanent commitment.

I have always been jealous and I am sincerely trying to overcome this even at the late time in my life. I have been jealous and have been married in the past to someone who was obsessively jealous.

Thank you for writing this book and I can't wait to finish it and apply it to my life. I hope to be married in the next year and I want it to be wonderful."

Jackie Nunn - US

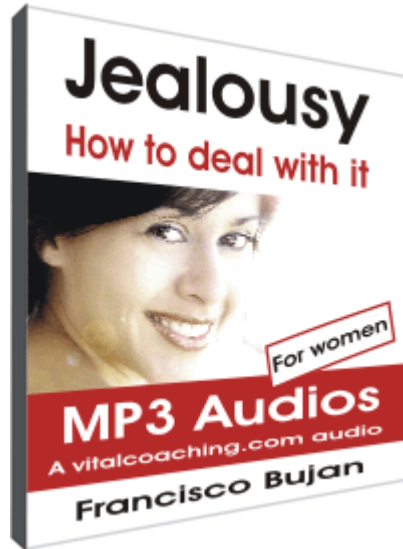

"Hi, I just order your e-book about jealousy and let me tell you it is bringing some things to light for me. I really appreciate it"
